Mr Sutherland  
Dublin

We have never been able to Mr Sanders of River John to pay us the price of the Key to Linnies Grammar which you got from us in his Name in 1851 - because he says you kept the Book and never paid him for it - we are determined now to bring it before a Court of Justice - whom we will be able to find out which of you are the Defaulters.

We will only wait about a week for your Reply, when if it does not come to hand or be unsatisfactory when it does come - we will either

Send you a Summons  
or a Subpoena - your reply  
will of course determine us  
as to the course we will  
take - only this much we  
are resolved upon that it  
shall be settled and that  
without further delay;

Very truly  
yours  
Geo Dawson & Son
