James Dawson Esq  
Dear Sir

Thinking the enclosed might be for the Book concern here, or rather on business, in which they and not you, would be interested, I took the liberty of opening it, but finding it for yourself I now enclose it, debiting you with the steamer postage paid here.

We thank you for your kind offer to be of use to us in Montreal, and may by & bye avail ourselves of it.

The furs are <sup>not</sup> enough in demand here to have made them an object.

Yours Truly  
James Kimrose
