

Dear Mr. A.

Oct 2nd/74

I am in the midst of closing <sup>here</sup> up  
preparatory to returning to Montreal  
[Before leaving ~~here~~, I thought I  
would send you a few words as  
I fear I never thanked you for  
your letter, <sup>August 21 contains</sup> the Dawson Guides & the  
Montreal Gen. Hosp. listing as well  
as your annual report <sup>which I thought</sup>  
~~was~~ quite a masterpiece & was a  
most interesting ~~or it~~ stupendous  
<sup>achievement</sup> piece of work. - I was very interested  
in it - I am taking it back to Montreal  
so that I can peruse it still further  
If you should have an extra copy  
~~it~~ I would like (very much) to have it  
~~it~~ -

By how you will probably  
know that I had a good letter  
from Mr. Michel, providing me with  
the information I wanted to ~~know~~  
about James Dawson - so thank you

for looking after this little matter for me -

I regret I missed the story in the Montreal press last week on C.M.W. book for Juniors and if you can provide me with it I would be grateful.

(I am glad)

I know James Dawson <sup>very well</sup> who has just given a lecture at McGill on "Oceanography" <sup>very well</sup> ~~was a splendid one~~ ~~went off well~~ - I hope that it <sup>the report of</sup> I was sorry not to hear it - But I will hear all about it on my return from my daughter Ruth, with whom he was staying - Thank you for sending me <sup>it</sup>

I am glad that you had a nice holiday at the time of your granddaddy's marriage - and I suppose that you are hard at work again now - I look <sup>forward</sup> ~~forward to seeing you before long~~

The leaves are beautiful & we have  
had <sup>several</sup> nights of very heavy frost  
& yesterday flurries of snow -  
So it is <sup>seems</sup> time for me to be <sup>getting</sup> settled <sup>again</sup> in  
- to my winter home - ~~when I look~~  
~~forward to seeing you~~ -

I look forward to <sup>seeing you &</sup> hearing all  
your interests & needs -

very Sincerely  
LWS
