Sir

At the suggestion of Professor Chapman  
I telegraphed you today & have received your  
answer & I trust that by this time the letter you  
promise is on the way. The property I wish ex-  
amined is in the 4<sup>th</sup> & 5<sup>th</sup> Ranges of Buckingham and is  
mentioned in the report of Sir William Logan also it  
was inspected by Mr. Robt & Capt. M. Chapman  
who have reported most favourably on the locations.  
I am advised to have your report in addition & am glad  
you can go this week but I wish you could have  
gone on Thursday. However you will no doubt let  
me know when you can go & I will meet you at  
Buckingham village on the Ottawa. I suppose  
you will leave by the boat 7 o'clock Friday morning  
& arrive at Buckingham village Friday afternoon  
about 4 o'clock.

Respectfully Yours  
T. Henry Ince
