

Conservative Club.

S.W.

23 April 1870

My dear Sir

I have just heard from
Professor Huxley that you
are at present in London,
& very busy. Perhaps you
could spare a few minutes
conversations on the subject
of Cape Breton Coal, at
your own convenience.
I will meet you any time &
place you please after 2
p.m. on Monday, if you

will kindly drop me a line
to this address.

Yours faithfully
D. W. Alexander
