

Nos. 55 to 59 Great St. James Street

Montreal Dec 15th 1846

Dear Sir

The enclosures hereunto will explain themselves. In sending them however to you we cannot help saying that we think the Whites have been unfairly treated in having been held responsible for a long series of mismanagement which occurred before their arrival here.

In their letter is a positive and distinct assertion of a fact which if correct exonerates them and if not correct can easily be disproved.

We would be glad if you would cause an inquiry to be made about this. If Messrs Whites statement be correct the Committee have acted very unjustly.

W^m Dawson

Sincerely
Dawson
