

844 Catherine St
31st Dec 1870

My dear Sir

I am unable to
inform you why the cast
of the Swards foot has
been called "Spider glove".
My daughter Sophia recei-
ved it several months ago
from her little cousin in
New Zealand - who stated
that she found it in the
woods, but gave no further
particulars.

Yours truly
John Reddy
Annapal Dawson
