ADAM, STEVENSON, & CO., Publishers.

TORONTO, June 10. 1872.

My dear Sir,

As the exact period of
your return to Montreal was not
certain, and our printers were in a
hurry, having heavy arrears since
the strike, there was some doubt
about our being able to send you
a proof; and I have therefore thought
it better to hold your address over
to our next number

Very truly yours

John Smith.
