

Quebec - 15<sup>th</sup> June

Dear Dr. Dawson.

Mr. John Chapman  
has requested me to give  
his young friend Mr.  
Morice a few lines of in-  
troduction to you - which  
I do not possess knowing  
how desirable it will be for  
Cousin Dick's young Man,  
Mr. M. - has just arrived  
from England - & intends

I understood by the  
Acad. his Medical  
Studies at Mc Gill  
College - with a view  
to the practice of his  
Profession in Canada,  
hoping Mr. Dawson  
is better with our  
kind regards.

Yours truly,  
Christian Whitcomb
