My dear Sir,

I beg to enclose  
a letter received to-day  
from Sir H. Colman, and  
to request that you will  
see the other proprietors  
& endeavor to ascertain  
to what extent they can  
meet Sir Hugh in the  
matter. My own feeling is  
that if a Great stock com-  
pany could be formed it  
would be safe to put  
in the iron properties at  
Net cost, and to trust  
to the profits and use  
of value of the property

For our own profit in  
the transaction. Everything  
I think would depend  
on the equities of a  
company strong enough  
to put the property  
into actual working  
condition.

Please let me  
know as soon as possible  
what you think can  
be done, and believe  
me  
Yours sincerely

W. Dawson
