Herbarium of Harvard University,

Dear Prud'g Dawn
Cambridge, Mass. Nov. 1

Sargent has offered to let the
Arboretum gardener (Dawson by name,
discussor of Calluna borealis) put up &
send a lot of seedlings of your Japonica form -
which he says is better. If they do not
promptly & satisfactorily reach you, please let
me know duly. The seedlings are sent at
1 cent pr. ounce - for which you have supplied
abundant stamps. No Amer. look from Boston, but
we are at a Report. Our best regards,
yours truly
Algray
