

Cambridge, Mass.,

Core Hall, Sep. 18 1879,

My dear Sir, -

We are in want  
of some careful travellers in  
Canada, to pick up various  
Canadian publications  
for us, and if you could  
for convenience note the  
address of any incl. known  
to you in the enclosed  
card, you will oblige  
me by returning the  
Principal Librarian.

Yours  
Wm.
