

GEOLOGICAL & NATURAL HISTORY SURVEY.

Alfred R. C. Selwyn L.L.D., F.R.S., Director.

MUSEUM & OFFICE, SUSSEX ST. OTTAWA.

April 4<sup>th</sup>, 1882.

Dear Sir,

I send this morning, per express, carriage paid, a small box containing 3 specimens of Receptaculites occidentalis <sup>atlanticus</sup> & several fragments of Archaeocyathus, for Prof. Erie.

Hoping that they will come safely to hand,

I remain,

Yours faithfully,

J. F. Whiteaves.

Principal Dawson C. M. G. &c., &c.
