Dear Dr. Dawson,

I have sent a few  
lines to Dr. Hunt respecting  
the appointment of local  
Secretaries for the B.A.  
meeting in New Zealand.  
Capt. Galtor tells me that  
the local Secretaries are  
the Secretaries of the  
various sub-committees  
appointed to make all  
the local arrangements.  
Here are the Secretaries

referred to in Bourne's letter,  
and they have already been  
elected, so that additional  
nominations are unnecessary,  
With kind regards,

I am, your very truly,

Henry T. Bovery.

D. Dawson
