Sir William Dawson,

Dear Sir:- May I ask you to re-
view for Science briefly, the recent-
ly published survey of Western
Palestine, written by Dr. Edward
Hull, and published by the Pales-
tine exploration fund. If you
have not seen the volume, I will
say that it is a memoir on the
physical geology and geography
of Arabia, Palestine and the ad-
joining districts. I shall be glad
to send you the volume if you
will be kind enough to review
it. Hoping for a favorable response,
I remain Very Truly, Yours,
Dictated. H. D. C. Hodges
