

Montreal 2nd June 1887

Sir William Dawson

Dear Sir

Will you allow an
old McGill graduate to offer
a suggestion for the coming event
of the Queen's jubilee celebration
and remain incognito for fear
of appearing childish.

My suggestion would be
to get a convocation of all
the graduates of the different
Universities McGill, Laval
Bishop & Victoria to join

together for some demonstration
of your choice⁺; each graduate
wearing a badge distinctive of
their Alma Mater; (on the toga
hood & cap) so as to distinguish
them from one another; but
in such a large number as
to give eclat to the celebration.
Your ingenuity and spirit of en-
terprise might improve the idea
if you think my idea is prac-
ticable

I remain Sir

Yours most admirer

An old Medical McGill grad.

⁺ on a procession, or attending the Governor's levee
if he should happen to be in the city
