

GEOLOGICAL & NATURAL HISTORY SURVEY.
Alfred R. C. Selwyn L.L.D., F.R.S., Director.
MUSEUM & OFFICE, SUSSEX ST. OTTAWA.

June 16th, 1887.

To Sir William Dawson L.L.D., F.R.S., &c.

Dear Sir,

I have signed the nomination paper in favour of Dr. T. Wesley Mills, & have mailed it to Dr. Bourinot.

In regard to the other vacancy, what do you think of the claims of Dr. B. W. Ellis, of our Survey, as a representative of the Maritime Provinces?

If I am not mistaken, he is a native of New Brunswick, & whether this be the case or not, he seems to me to have done good stratigraphical work in that & some of the other eastern provinces of Canada.

Very truly yours,

J. F. Whiteaves.
