

Murder

Boston Jan. 30/88

Dear President Dawson:

In a formal manner
I answered the Secretary's
enclosure of the Diploma,
as I noted some
honorary degrees to
the signatures, I added
a few to my name.
But I wish to express

informally & heartily, &
for my grateful
appreciation of the
honor & of your
own kind office.

The enclosed circular
is this day rec'd from
Miss Edwards.

I am awaiting you

new book with much
interest.

with many thanks,
most truly
Yrs,

Wm E. Wilson

Mr. Presidents (Dr.

with me in Dec. &
we raised \$5000 for
his Mr. Fund here
