Dear Sir William:

I am very much obliged
to you for the copy of your
last work on Fossil botany.

I have been from home
in Ireland or would have
acknowledged it - some time
ago, but I only returned at
the end of last week -

While in Ireland I
spent some time exam-
ining the fossil plants
there & was able to observe
some points of interest
which I think are new
& which I may publish
soon - without
refard.

Believe me
Yours
W. H. Miller
