Li. Am. Dawson

I owe an
apology for delay
in acknowledging
your kind favor
of 17th ult. with copies
of Commencement
but we have
been working
so hard and
my health suffers

I should be obliged to go and
abandon the work here
I am \$2000 out of pocket -
since I commenced the work
three years ago. Our students
are all successful in
the gap as to points ^{now}
two judged the Junior-Medic
rank. One took first-class
honors last-year

One of my students
went to New York
to take a teachers
position. I have
an offer of \$70⁰⁰ a
month, and expenses
paid to take a
position in the
State myself
which I refused
at present; but
unless I get finan-
cial aid to the
amount of \$500⁰⁰ to
start - in September

While the present party
are in Political power in
Ohio our efforts are
sure to be great.

Thanking you very much
for your expressions of
kind sympathy.
