My Dear sis William

We observed with much concern a notice in a recent paper of the accident which befell you at Little Metis and have since been anxious to learn as to your recovery from its Effects. I sincerely trust that you have not suffered much and that you have ere this made a good recovery.

We were all very much disappointed at your being unable to visit us this summer when you had come

My Dear Mr. Williams

The enclosed with

trust contains a notice in  
a recent paper of the accident  
which befall you at Little  
Rock and has occasioned  
anxious to learn as to your  
recovery from its effects. I  
am very glad that you  
have not suffered  
and that you have  
made a good recovery.

We were all very much  
glad to hear of your  
recovery to visit us this  
fall when you had some

to St. John. It was to us a  
sad case of "so near and yet  
so far" but we hope, if all is  
well, that we may have the  
pleasure of seeing you next  
summer.

Myson Alexander  
leaves us next week to endeavor  
to gain a footing in Toronto.

Mrs. Prinnors and the  
other members of my family join  
me in kindest regards to Lady  
Dawson, yourself & the other  
members of your family not  
forgetting Mrs. Harrington. I  
was sorry not to have had time  
to call on the latter when last  
in Montreal. You will be  
sorry to learn that John's mother  
of Halifax is in failing health.

Sincerely yours  
Howard Prinnors
