

Quebec 2 March 89.

My dear Sir William
Yours of the 25th ulto
only reached me this
morning, here I was
on the point of writing
to ask if it would
be convenient for
Lady Dawson &
yourself if I came
to you on Wednes-
day the sixth inst
by the afternoon train,

from Quebec, but
I found your answer
in your kind note,
just received

Hoping to find you
both in good
health, on Wednesday
evening, I remain

Yours sincerely
A. Joly de Lotbinière
