

13 Bishop St
Montreal Jan'y 9th 1890

Dear Sir William,

Agreeable to your request I have instructed Mr Griffin to have your portrait taken down and placed in any convenient position that your daughter may be pleased to suggest.

Your note only reached me yesterday evening, otherwise I should have attended to this earlier, but trust the delay may not have occasioned any inconvenience.

Yours truly

J. Sturtevant Brown

Sir J. Wm Dawson
