GEOLOGICAL SURVEY DEPARTMENT,

OTTAWA,

Sept 26<sup>th</sup> 1891

My dear Sir William,

Thanks for yours of the 26<sup>th</sup> just received. I have already written Mr. Monckton, and requested him to send all the material he could collect, to you for examination. I fear D. George will not be back before we leave, which we hope to do by the "Parisian", and I am glad to hear we shall have the pleasure of Mrs. Atkin's company as a fellow passenger

Yours sincerely
