My Dear Sir and Brother,

I have your letter with photograph and also the little books, which I shall read with much pleasure, and with your permission, perhaps make excerpts from them to be used in our columns if you find yourself unable to contribute some short message to the young men of this country. I took the liberty of using your portrait for this.

Earnestly hoping that you will be given strength to do the work that you have been for many years, I am,

Sincerely yours,

Sir J. Wm. Dawson,

Montreal, Canada.
