

Judge Strickland

The Judges' Chambers.

Montreal 21<sup>st</sup> Dec '98

Dear Sir William,

I have received and read with much pleasure your little book entitled the *Seer of Patmos*. Allow me very sincerely to wish you Christmas greetings. I am sure your heart will be exulting these days over the happy events which are befalling Mr. Gill. Let me assure you that the reference made yesterday by Lord Strathcona to your great share in the building up

of our dear University  
touched all our hearts -  
With regard to the Millennial  
glories which your faith sees  
fast approaching, let me  
express the hope that even  
on this side you may be  
privileged to welcome their  
coming, but if, like Moses,  
you are only to see them, afar  
off, may God grant that your  
bright faith may touch many  
hearts and prepare them  
for these glorious events.

With best wishes for  
the health and happiness of  
yourself and Lady Dawson

Yours very Sincerely

J. S. Clubbald

Sir William Dawson }
