My Dear 42 Union Avenue,

Sir William Montreal, 6 Jan'y 1899

I very much regret to learn that you have not escaped influenza. I pray that you may be soon quite restored.

I was prevented attending the last (an^{ce}) meeting of the Bible Society - This engagement with the funeral of my old & dear friend W^m McEson.

My request that Psal. XIX. 11-21 shd. be read at the Annual Meeting of the B. S. will no doubt be attended to.

With warmest regards to Lady Dawson & Myself & prayers
