TELEGRAPHIC ADDRESS,  
EXPOSITOR LONDON.

London, 19 April 1899

E.C.

Dear Sir William Dawson

I was glad to see your  
handwriting & I now write to  
say we shall not need a new  
Edition of Fossil Men this year

I hope to see you next month  
as I leave for Welling of the steamer  
for New York (Fifth Avenue Hotel)  
on 22<sup>nd</sup> }

I saw Dr. Dawson recommended  
that your papers would be better  
to appear in an English periodical  
than as a booklet. Dr. McColl could  
not well use them for "The Expositor"  
as he has a series of articles now  
going on of somewhat the same  
character, but Dr. Dawson will no  
doubt arrange with another publication

Yours very sincerely  
Wm. H. Hodder
