It has often been a matter  
of doubt with me whether I  
should like to see our young men's  
Christian association with a new  
spot on it. It is the more a  
subject of ~~regret~~ for ~~frustrating~~ that  
I can be present on this  
happy occasion, and can  
congratulate my young friends  
on the opening of a building  
which it is to be hoped will  
give a new impetus to their  
work and will be the  
source of much blessing to  
the spiritual interests of students  
and of the ~~university~~. I can  
my boy father, never forget  
that the education is Christian,  
not in any narrow sectarian  
sense but in true allegiance  
and loyalty to Christ as the  
Lord of heaven and earth.  
Let all its work be for the  
serving of men and for their  
higher training in the Christian  
life and for the promotion of  
the Kingdom of Christ. ~~Yours~~

As you progress you will find  
that in your advance in the  
and in knowledge of God and  
of man,  
Christian life you will more  
and more be impregnated with  
the divine truth of the Word  
of God, and with the fact  
that all Gods plans and  
all the real interests of man  
center in the person and  
work of the Saviour. You will  
thus realize with increasing  
certainty that in Christ alone  
"is life and the life is the  
light of men". Only in close  
union with Him "whose name  
is above every name" can  
we have life individually  
and collectively and as  
Christian soldiers <sup># overcome</sup>  
"the world and the flesh and  
the devil"

The young man for will find  
 that in your address in the

 The divine part of the Word  
 A God, and with the part  
 that all God's pleasure  
 all the best interests of  
 center in the former and  
 back of the Governor, for will  
 that we have with us  
 content that in short alone  
 "A life and the life of the  
 light of men", God in the
