Wd view of Theologia but Naturalist

Long periods upland of Physical
Science & Geology 100. millions
Geology needs it all
(see chart)

Still not necessary lengthen days
May be the way.

Annals have natural evidence
Other notes than Beliefs

Argument with notes

1 Day in second half 32 hours of Day
1 light & darkness 2, while measure
day - 3. While creature work
Chap 2 v 4

2 Indefinite periods indicated by term Day
Formula "in the day" but what its sign
Not counted to this. Job 18.10 Job 15.32

3 40 the Problem a problem of Moses
refers to creature days

as Peter said Human holy days - Creation Days
Mosaic. If what statutes
of Moses must have understood
as periods.

4 40 the Problem a problem of Moses
no such thing to the Problem
to 4 - gives idea of Sabbath
See also Prof 8, 22 before the
Antiquities of the East.

Some command of Genesis 1st Verse
referred, especially as
ampersand with for 2

5 - Meaning of Sabbath in the Law -
no beyond of Sabbath
to day 7 We take liberty about them -
are Hebrews scrupulous? real reference to
God's day - the unchangeable
preludes why is Moral Law

Sud visited a bus 2nd day
Killed man & his rest
Allan fell - Carl Sallat
Weekly Sabbath measures
of last week - & to be repaired

6 This view of Christ & Jews of His time
My father writes to this or I
will - This is for the Sabbath
You know it - It has
links to human freedom
My had no answer

7 Spence & Helmer leaves Sec. 4. 4.
Sud's claimie Sabbath but
& fall still remains to
Sud's people

See MS

8 Use of term "Son" in N. Testament
Heb. 2nd By him Christ first
Architectural the signs - True
words of you will
