To

*McGill College,*

*Montreal.*

I have received your letters  
of the 1<sup>st</sup> and the two of  
the 4<sup>th</sup> inst. as well as papers,

I have written to Anna telling of my movements.  
Mr. Archibald is my Assistant, in addition  
to him I only require men whom I engage from  
time to time as I may need them. Please send three  
packages of the French tracts to the Y. M. C. A. Rooms  
marked "For the Sailor's Institute". You might take  
some with you to Metz if they would be useful. All  
the stories in them are true. I shall hope to write  
more at length soon. Keep the "Christian" till you have  
all read it, before forwarding it.
