Englis St. Val: Dec. 20<sup>th</sup>

I have not received any farther news from  
home. I had hoped to do so yesterday, but probably  
will today on the arrival of the mail in the  
afternoon. I am enjoying a very pleasant time  
here. Reading the *Le Daily* altho' not able farther  
to be useful to them at present. I intend to  
go the 10th tomorrow then back for return  
business on Friday. Unless any advice from you  
or blockade of news and interest. With love  
M.
