Dear Father,

I enclose a copy
of a memo. written as a
Circular to H.B. Co. re in
regard to collections. As I
wrote the memo. I should
be glad to have any suggestions
as to improvements which may
occur to you. I could not
think of any way of getting the
things which might be sent

paid for a Canal for
 but asking people to send
 them to Schuyler here. I

Suppose if the memo is
 adopted & printed it will be
 at the next meeting of the
 Canal Co.

Love & all

George
