Lodging

Dearest Father -

Mother has received your letter
is sorry to hear that you are having
trouble about the lodgings -
Mother still thinks that she wd
like Twickenham if the woman
there can take us in but if you
prefer to remain in London
we have no objections but we
wd rather be in lodgings than
at an hotel. Richmond I know is a
nice place but is rather expensive -

I will give you one or two addresses
in London in case you want them -
Mrs Kerton - 7 Hollis St. Cavendish Sq
Judge Mrs Mackay lived there -
Mrs Lewis Johnson 10 ^{Hollis} ~~East~~ St.
Cavendish Sq.
Mrs Cox 2 Princes St. Hanover Sq.
Then the Redpaths lived with
Mrs Beech - 7 Eastbourne Terrace -
& Frankie can give you the number
of the house in Cambridge Terrace where
the Boveys stayed when in London last.
Mother thinks that she will not leave
before Tuesday morning but will let you
know & I will stay here for at least a week
longer so do not get a room for me -
at present - Please excuse great
haste with love & Ever.
