October 1st

My dear Mr. Dawson.

I received your
kind note this morning
I am very sorry to give up
all my hopes of seeing
you & Eva - but I am sure
you have decided the best
way. - I hope you will
start on your further
travels refreshed by
your 10 days with Mr. Crowe.
If the weather is bad e-

trouble to drive us away
from this place before the
end of the week you will
certainly see me at Rock
Ferry - but at present we
intend to be here till next
Monday - the day you
leave. —

I hope dear Mr. Dawson
as I have been so disap-
pointed this time that
you & Eba will keep at
least a few days for me
when you are going home.
please tell Mr. Crook this
in case she thinks me too

importunate — of course
She has the first-claim
on you — but — then you know
I am an old friend too —
Am I not? — & you are such
a kind & interested one
it would be a great-plea-
sure to me to show you
all my belongings & sur-
roundings —

Please give Eva my
best love & thanks for
her note — & tell her I quite
understand her not be-
ing able to come — I shall
be so glad to hear of you on

Your journey up. - Oh if
Eba is not able to send
me a line I shall be sure
to hear in some rounda-
bout way - through Mother
& Mr. Harrington perhaps -
I hope you will enjoy E-
gypt as much as Mr. &
Mr. Peter Redpath did -
You will soon be seeing them
at Chislehurst - will you
please give them my kind-
est love? - with much for
yourself & Eba - & kind
regards to Mr. Crowe & his
daughters Believe me
Dear Mr. Dawson
Yours affectionately J. B. G.

P.S. If there is anything
you would like to send out
to Canada please let me
know - as Ted is going
out in December - I would
be glad to take anything
for you - if you send any
parcel from London or
anywhere to me at 8 Cam-
pden Terrace - I will see
that it goes out - It will
be no trouble to us you
know - for Ted & Eliza
will have a lot of boxes
& will deliver anything
safely at Mr. Harrington's
or the College. - I am sorry

poor Ted is obliged to
go home in such a stormy
month as December - he
will probably get ar-
rived about 14th. —

I have written you a
long letter dear Mr. Daw-
son - but please do not
trouble to answer it -
I just thought as you were
in London you might like
to send some things home
by Ted - the Customs &c
are so troublesome when
parcels are sent alone. —
