My dear Walter,

I am off to  
Toronto tonight - &  
shall have to remain there  
till some time next week.

My address then will be  
Queens Hotel or  
British Amer. Office  
Univ. of Toronto.

Today I arranged to  
have some more fruit

sent to you tomorrow.

It should arrive

I suppose about the same  
time with the letter.

Please let me know if  
it comes to hand all  
right.

I had a note from

Dankin on Monday  
in which he says he

has some intention of

coming out to the Brit.

Wed. Assn. meeting, but

3

That he found it difficult to get  
a tooth on steamer.

Yours

George
