Dear Anna,

We received
 and forwarded postal
 card and telegram from
 Clare about 2 days reached
 you, also your telegram
 yesterday. We have also
 had a letter from Bernard.
 He is well but naturally
 much concerned about
 Eric and will hold himself
 self ready to come out
 as he may receive informa-
 tion. We are packing
 up for the move to summer
 the weather is a little
 cooler and now dry.

We shall try to leave
everything right about
the house, and James,
Oliver and the girls have
been working diligently,
I went yesterday, wife
of course which I hope
will reach you, and
shall hope to send other
literature from time to
time.

I am glad that
you find your winter satis-
fying, and hope they
may continue so. You
will no doubt have
a change of temperature
and may need warm

clothing.

Love from Grandma
& self to you and Eric

Ever yours

Grandma

P.S. We shall hope soon
to hear how Eric stood
the journey and how
he takes to the new
air & surroundings,

MD
