Little Metis  
Aug 2<sup>th</sup> 1894.

My dear Mother,  
The last  
two days there has  
been nothing but  
rain, today it is  
not raining, but  
damp & cold. The  
other night there  
was a concert at  
Artels Hotel in aid  
of some worthy

girls club that is  
connected with  
Miss Capels. The money  
was for a piano.

I made a cake & put  
it, & also sent a  
small clothes basket  
full of flowers.

It did take me  
a long time to  
pick them, as it  
was raining very  
hard so I had.

to do it all myself  
& then I made them  
into buttonholes  
& bunches, I put  
silver paper round  
all the button-holes

I really do not  
know if Aunt F.  
intends to stay  
late or not. I did  
not like the idea  
of her house being  
used after she  
had shut it up.

I really cannot  
say which I would  
like best drawing  
or music. I do not  
think that it would  
make much diff  
in learning if late  
for school but it  
makes a great  
diff in the marks.  
Miss B<sup>ottwell</sup> does not know  
when her sister is  
coming out but  
will ask. I think  
she let Mrs Drummond  
know. Yours. Clara.

nurse) & she said  
 that she really  
 must see the B.  
 as she had heard  
 about it so often,  
 so she insisted  
 on coming in then  
 & there, he was in  
 bed & asleep but  
 never - the - less he  
 had all his beauty  
 & a peaceful look  
 of innocent Mary eve -  
 This is the back of  
 Pop's head

I do not know if  
you have heard or  
not, <sup>that</sup> my sister is  
engaged, I do not  
know who to, I believe  
he is an Irish man -  
of Louisa & Kate are  
going to the falls,  
(Grand Metis) today,  
The day does not  
look very promising,  
so perhaps they will  
prospone it -  
We have been having  
very change bill

weather, one day  
gone, the next rainy.  
The other night Eva  
said to me, "you  
know I can't rem-  
ember what Mother  
looks like, but I can  
remember what her  
name is," so I said  
what is it, she said  
"Mother". She then  
said in a quiet  
indignant little  
voice, "where is  
Father, what are

we doing, why can't  
he look after Elie  
& let mother come  
down.

We are still very  
uncertain about  
J & K. going to the  
falls.

With much love  
to all

Your loving  
daughter

Deare -
