My dear Anna,

I have been sorry to
follow from a couple of notes
received from Father, that
Bernard has been laid up
Ever since I left Montreal,
but trust that he may now
have got over the worst of the
trouble which has most
unfortunately occupied the
greater part of his Christmas
Holiday. I feel of course
most helpless in the matter,
but if you think of anything

I can do, directly or
 indirectly, please let me
 know. If he would like to
 come up for a few days here,
 for a change, I could get him
 quarters in the 'Victoria Chambers'
 & would be very glad of his
 company.

Everything goes on much as
 usual here. — William honored
 us by coming to lunch on
 New Year's Day, & I endeavored
 to impress on him the importance
 of calling on his ministers, but
 I fear without much result,
 for he had made an arrangement

to take 'the boys' to skate - which seemed to
him to be the most important thing in the
world at the time.

Will you or somebody send me Rankin's
address in Sweden? I must write & thank
him for the remarkable peg with which he
presented me at Christmas.

Yours
George
