Ottawa, 29th April 1879

My dear Sir

I have your of

just today. I think it likely
that Horvitz may get away
on Friday & he can make
arrangements about supplies
& forwarding them. He is going
to the country about Fort Collins.

Mr Henry McLeod will
probably accompany you
when you go which I fancy
will be to catch a steamer

later than the 10th

It is intended that he
should go through the mountains
to the Rock River country &
thence onward towards San
Francisco. I am quite sure
you can render us great
service by working in
conjunction with Mr. Leed
& we will be glad to
assist you in the matter
of mules & supplies -
would you make a

list of supplies you may
want so that we may
forward orders to have every
thing ready as would be
proper waiting until you
go out - We propose telegraphing
present directions to us
at some time -

Mr. Leod will not be
able to leave on Friday
I feel certain

Yours truly
Sandford Robinson

G. M. D. Carter &

Mr

Shaw & Buck you be anxious in
show of your paper
