Dear Dr. Dawson,

I write to thank you
for the very important
essays on the Rocks and
Selkirk, which have contributed
to lighten the enforced
idleness of the influenza

They remind me of the Brit.
Assoc. Expedition, which you
took such pains to make
pleasant to us all -

I sincerely - as one of the
electors - congratulate you on
joining the Royal Society - You
may care to know that you
came in among the first, in the
first ballot, while your geologist
colleague had a very narrow
chance in the crowd of competitors.

I hope that you father feels well -

With kindest regards

I -

Edw. J. Sawyer

Yours truly

Dear Mother

I received your letter of the 10th

and was glad to hear from you

and to hear that you were all

well and happy

I am well and hope these few

lines will find you all the same

and that you are all enjoying

your vacation

I will write again soon

and hope to hear from you

again

Love
Your affectionate son,
John Doe
