

STONELEIGH,
ROCK FERRY.

26th May 92

My dear George

I duly recd yours of
the 22nd - I am sorry I did not
know earlier that you were in London
or I would have written you to call
& see Walawa & Maggie who were
staying at the Windsor Hotel in
Victoria St. - They returned home
last evening - We will all be
very much pleased to have a visit
from you when you are returning
to Canada & hope you will come some
days before you sail - When coming

You had better come from Exeter
to Rock Ferry direct (via Chester),
instead of coming to Lpool - Let
us know, if you can, a day or two
before you come - Two of the girls
are going to Norway on the 7th of June
Arthur is at present in America
but will be home about the 15th

Mr South is likely to be with us
after the 2^d for two or three weeks so
if you are here about that time you
will see her too -

I much congratulate you
on the new honours which have
just been given you & so well
earned. - All here send kindest

regards -

Truſt ſincerely
G. W. Snow
