

Mr. Borden
Leader of the Opposition

Ottawa, 6 March, 1901.

Dear Lady Dawson,

With your permit me to
tender on behalf of Mrs. Borden
and myself our sincere sympathy
and Condolence. The death of your
distinguished son is not only
a loss to his sorrowing family
and friends but also to Canada

and indeed to the whole
Empire. In his life work he
has left behind him a record
and a name of which all
Canadians are justly proud.

Yours faithfully,

A. L. Borden.
