Dear Dr. Ogden

I sent off a parcel of papers to you yesterday not knowing that Sir William had already sent them. You will therefore receive two lots. Will you kindly send the parcel I sent to Campbell Howard. His address is Dr. C P H - University of Iowa, Iowa City.

It was very nice hearing from you & I am sure you are all so English that your sympathy goes out most sincerely to us in the midst of this awful war. Every morning we read of friends being mown down, all the youth & glory of the country, the young men we have known up here and our own only boy training in the Park under our eyes - except that I can't look. Work is the only salvation and I keep at it from 9 am to 11 pm.

W.O. is busy and trying to be cheerful - hard work sometimes.

Our love to you all - particularly the dear mother.

Sincerely

Grace R Osler

And on the next Sunday evening from Christ Church where presumably the same time as the high table have set on a number of champagne bottles unopened & have been made to Mrs. Chapin his sister in law
