London, S.W.

March 18, 1920.

To Lady Osler.

Dear Lady Osler,

At a Meeting of the Trustees of this Fund which was held at the House of Lords on the 17th inst., I was directed to inform you that the Trustees unanimously decided to record on their Minutes the following Resolution:

"The Trustees desire to record their regret at the death of Sir William Osler, Bart., who was one of the original resident Trustees of the Fund, and to whom they have been greatly indebted for wise advice, particularly in matters concerning scientific and medical teaching in Oxford".

I hope you will allow me to associate myself with the Trustees on this occasion.

The Trustees have directed me to send a copy of this Resolution for publication in the Oxford University Gazette.

Yours sincerely,

NIGEL BOND.
