Dear Cushing I have
but recently returned
from Florida, there are
your splendid volumes,
soon to be "known & read of
all men". I find that those
of us who knew him best
will have to read them
to know him better: what a
wonderful biographer you
are. I don't believe there is

such a med. biog. extant.

Are you not overweeningly
puffed up with pride?

Thank you for your
gracious notices of
my unworthy self.

Faithfully and may I add
affectionately

Howard A Kelly
