My dear Dr. Cushing:—

I must not let another day go by
without telling you how deeply interested
I have been in your Oles. — You are
indeed to be congratulated. It is
a living document. You have given
us a wonderful picture of the
Man — and in every page he triumphs.

I am thrilled over it, & I have already
given

2/

away a dozen copies of it.
Some have even gone to Kentucky
& North Carolina, so you can
see how wide spread has been
the joy you have made possible.
Many many thanks for the great
pleasure you have brought into
this household.

Yours very faithfully
Mabel Agassz
