Dear W. Cushing:-

I am reading your quite delightful
life of the "Chief." In note on the picture of
the group of the first Internes, you have
my name as "G. S. Clarke" - Doubtless you
confused me with Dr. Geo. S. Clarke who
came on the staff a bit later.

I am wondering if you will want to
change it in subsequent printings.

Please don't do it on my account, I'm
simply thinking you may want to have it
correct.

With kind regards,

Faithfully Yours

Geo. Edward Clark.
