Dear Professor Harry Cushing

I am directed by the Staff to  
express to you their gratitude for the  
additional kindness you have done them  
in presenting a copy of Oster's life to  
the library. This will be treasured, not  
only for itself, but as a reminder of  
the occasion on which you honoured  
them by addressing them. Your visit  
was very sincerely appreciated.

With kind regards

Believe me

Yours sincerely
