Dear Horney:

Now I discovered a slight error on
Vol 1.

pp 497, of yr life of Sir N^m Osler?

Was not Sir Andrew Clark dead at this time?

I was under impression he died in 1893 and
you speak of his welcoming Dr Osler in 1900.

If it is a mistake thought you would like
attention called to it to correct in subsequent

Edition .

Ever yours

Will R. Moody
